

The San Diego Chapter of the American Jewish Committee and The San Diego Public Library present:

Sunday ■ November 21, 2004 ■ 2:00 pm  
Central Library ■ 3<sup>rd</sup> Floor Auditorium  
820 E Street ■ San Diego  
FREE

This event is based around the annual publication, *America's Table®: A Thanksgiving Reader*, which the American Jewish Committee, in partnership with ten national organizations, including the National Association for the Advancement of Colored People, the National Council of La Raza, the Islamic Supreme Council of America, and the Japanese American Citizens League, has produced for the past four years. The central theme of this unique publication is that our families came from many different places but share a common land, America, and that we are each part of America's journey.

*America's Table®* will feature speakers representing San Diego's diverse religious and ethnic communities, as well as special performances from the cast of *Soul Fire*.

This program is part of the Library's "Stories of Faith: Religion and Diversity in San Diego," a series made possible in part by a grant from the California Council for the Humanities' Communities Speak project.
